Phoenix Firecamp is a remarkable, week-long training opportunity and is one of only a few such programs in the United States and Canada. The training is valuable, yet intense. The day starts with a wake-up call at 6 a.m. 16 hours later, lights go out at 10 p.m. In order to maintain a safe and productive environment, proper rest between these hours is vital. For this reason, Phoenix Firecamp limits use of cellphones to designated personal times only. Parents are welcome to use the Phoenix Firecamp number in order to contact their child during the week.

Campers 17 years and under are required to be transported to and from Phoenix Firecamp by a responsible adult. Only campers 18 and older are allowed to keep a vehicle on the Academy grounds. Phoenix Firecamp is a closed campus and campers, regardless of age, are not permitted to leave the training grounds or residence facilities without staff supervision. Parents and/or guardians and additional family members are highly encouraged to attend the Graduation Ceremony on Friday afternoon at the conclusion of Phoenix Firecamp.

Donations to Phoenix Firecamp: Phoenix Firecamp is a project of the Fire Service Women of New York State, a nonprofit statewide organization committed to supporting women in fire and emergency services. Phoenix Firecamp is staffed by volunteer and career female firefighters, EMTs, and paramedics. All staff members pay their own expenses and use personal time to make Phoenix Firecamp possible.

Donations from families, community members and fire departments are most welcome! Phoenix Firecamp's non-profit tax status is 501(c)(3). Please make checks payable to **Fire Service Women of New York State** and send to:
